Our Academic Partnership

CUC was selected by CITE as a Preferred Educational Partner for a multitude of reasons:

- CUC was founded 1864. It has sustained an excellent professional and academic reputation in the higher education community.
- CUC is regionally accredited by the Higher Learning Commission and nationally accredited by the National Council for Accreditation of Teacher Education.
- CUC offers both an Ed.D. & Ph.D. doctoral degree in Educational Leadership
- All course work is completed via the Internet!

Benefits of CITE/CUC Partnership

- You have access to CITE/CUC partnership contacts throughout your program of study
- Transfer of up to 24 post-master's degree credits
- No residency requirements
- Collegial Circles every semester
- 8 week course delivery
- Online cohort groups
- Lifelong professional network
- Affordable tuition & the price stays the same for the duration of the program
- **FEDERAL FINANCIAL AID AVAILABLE**

Benefits Continued...

- YOUR Faculty Members are academically and professionally qualified AND they receive ongoing training to ensure you receive the very best academic experience.
- YOU can access CUC's technical staff for computer, Internet, and other communication-related assistance.
- CUC & CITE provide you with a dynamic support team from enrollment through graduation.

YOU are the center of the Teaching and Learning Experience

Curriculum

CUC understands that in today's world many individuals no longer prepare for one particular job. The education curriculum prepares Learners who may move through many positions during their career and offers them the skills and knowledge necessary for this professional advancement. The curriculum emphasizes a combination of:

- **“Best Practices”**
- **Learning Theory**
- **Technology and Research Integration**
- **Application to Learner needs**
- **Transforming Theory into Practice**

Doctor of Education - Ed.D. Track

37 credits

- **Builds on student's professional experience.**
- **Focuses on job embedded curriculum and applied solutions.**
- **Integrates research into the student's daily work.**
- **Culminates in the work setting applied dissertation project.**
- **Adds new information to the body of PRACTICE**

**Coursework + Research + Comprehensive Exam
+ Dissertation Project**

The Ed.D. degree

The specific objectives of the Ed.D. program are to:

- **Promote the Student's advancement of knowledge based on research as it applies to the professional practice of, and leadership in, education.**
- **Enable educational leaders to pursue personal goals of leadership and advanced scholarship in relation to their areas of interest.**
- **Prepare Students to intellectually explore practical solutions for problems and challenges facing education today.**

The Ed.D. is considered the professional terminal degree of choice for educational practitioners and administrators.

Doctor of Philosophy - Ph.D Track

43 credits

- **Combines a strong base of theoretical knowledge with an individualized focus to conduct research affecting the broadly defined world of education.**
- **Requires 15 research credits – 5 courses**
- **Culminates in a Dissertation and Oral Defense**
- **Adds new information to the body of KNOWLEDGE**

Coursework + Research + Comprehensive Exam + Dissertation + Oral Defense

Ph.D. Degree

The specific objectives of the Ph.D. in Education program are to:

- 1. Promote opportunity to engage in academic research, scholarship, and systematic inquiry within the field of education.**
- 2. Prepare students to generate new knowledge or the reformulation of existing knowledge as a basis for the development of educational theory through applied research.**
- 3. Provide a graduate experience that is intellectually stimulating, professionally relevant and leads to research that supports decision making and problem solving.**

The Ph.D. is considered the academic terminal degree for Students focused on research and teaching within universities, institutes and organizations.

Transfer of Post-Master's Credits in Educational Administration

- **24 post-master's credits in Educational Administration are required for admission as they are counted towards your degree total. Credits must be from within the last ten years. Only courses in which a letter grade was granted will be considered**
- **Certification is not required for admittance into the program, however, if a student wishes to become certified on either the building (SBL) or district (SDL) level, they must do so with their original credit-granting institution, as this program does not lead to certification.**
